

Having established Muirfield Travel as a premier golf logistics provider for luxury golf programs, we began to receive many enquiries for comprehensive Group and Incentive Travel programs.

To accommodate these requests, we partnered with U.S. based George Kun and Gary Smith, our exclusive U.S. agents, who have decades of Incentive Travel experience and whose companies have operated programs for a large number of Fortune 100 organizations. They understand that unique and memorable programs require both highly creative input and flawless execution.

To initiate this partnership we combined the strengths of both Muirfield and George and Gary and created a 'one of a kind' Group Incentive Program to Sea Island Georgia. We call it a ***Fantasy Golf Experience*** because it incorporates a well-known PGA Golf Professional to interact with your group in creating an extraordinary, once in a lifetime experience.

Please proceed to the "Fantasy Golf Experience" brochure inside, which details the Sea Island itinerary or contact us for a worldwide, customized group golf program.

# The Ultimate Fantasy Professional Golf Experience

---

Most of us may only fantasize about what it would be like to be on the PGA Tour. Well, this may be the closest thing to it.

On day 2 you will be joined by a very well-known PGA Professional golfer at an exclusive, private golf club.

He will mingle with us on the course and perhaps play a few holes. Then, having met each participant individually, he will spend the entire evening spinning tales of “Life on the Tour” while relating many humorous, exciting and intimate personal moments that he had experienced.

There will be plenty of individual and group photos as well as commemorative autographs.

This day will never be forgotten.  
A day in golf paradise!

# Your Tournament

Golf is a game open to all, balanced by a handicap system that makes competition even for all levels of players. Your tournament will be based on the Stableford format which will create a fun competition at the individual and team levels.

Prizes will be awarded to the winners. Scores will be recorded and available in real time by Golf Genius software.

Each participant will receive one hour instruction from a Sea Island, world-renowned teaching professional at the newly completed, state of the art 17,000 sq.ft. Golf Performance Center.

You may choose your area of focus that includes five core competencies: long game, short game, golf fitness, club fitting or mental game.

*I look forward to welcoming you to our brand new state of the art Golf Performance Center. The 17,000 sq.ft. facility is designed to help golfers of all levels, in every area of the game, using the latest technologies while making it fun and interactive.*

## FIRST NIGHT

With the sun setting over the Atlantic Ocean, guests will enjoy cocktails while participating in a casual, 18 hole putting competition. This will be followed by a spectacular Southern BBQ featuring gumbo, ribs, chicken, grouper and all the trimmings. An open bar will be provided throughout. We will then retreat to the Men's Locker Room which gets regular chatter as the best Locker Room in golf and is regarded as the 'ultimate man cave.' There are pool tables, big comfortable leather chairs, fine cigars and premium aged Scotch; the perfect setting for post round fibs. Note: the Men's Locker Room is open to ladies after 8 PM.

## SECOND NIGHT

This may be considered the highlight of the entire program. An evening at an exclusive, private members clubhouse, replete with colonial-era tributes and antique-filled interiors, feels as inviting as a southern mansion but with authentic pro golf trophies on display. Their nationally acclaimed chef will prepare a bone-in ribeye steak dinner as we are joined by a familiar PGA Tour Professional.

## THIRD NIGHT

Tonight, we will leave the hectic world behind and board the private 71 ft. yacht the 'Sea Island Explorer' for a sunset

cruise accompanied by live music, an open bar and heavy hors d'oeuvres. We will glide through the Georgian coastal waters, golden salt marshes and barrier islands. Upon return, you may wish to explore the local night life or restaurant scene.

## FOURTH NIGHT

We will transfer to the rustic and super casual Rainbow Island for a traditional Southern Low Country Boil including shrimp, oysters, brisket, chicken, corn and Brunswick stew with plenty of sides and desserts. An R&B band will entertain, providing the perfect background to this memorable awards evening.
